PHYSIOMAX TEAM MEMBERS

Dr. Tapas Kumar Pal

DESK OF DIRECTOR
PHYSIOMAX ORGANISATION
A Registered Society Under West Bengal
Government

Dear All

We are the 1st organization in West Bengal to come with multidisciplinary approach under one roof in the field of rehabilitation. Opened up our 5 branches Pain care clinic, Womens fitness hub, Educational hub, Community Healthcare Services and Home Healthcare Services. Our expert therapists are always engaged to deliver best of kind of treatment.

Within a very short period of time we have started our 10 projects which are funded by various partner organizations and by our own. It is our greatest inspiration that our work is getting identified by different sector of people and they are approaching us for collaboration. But this endeavor is not enough to reach to the maximum number of people. Hence we need joining hands of more organizations to fulfill our dream of healthier society and to spread rehabilitation facilities for all.

As a director of '**PHYSIOMAX ORGANISATION**', my sincere thanks to my team members towards development of this organisation both nationally and internationally and pledged to come with our 1st newsletter for of 2018-19 session

Sincerely
Dr. Tapas Kumar Pal (PT)

BARANAGAR PHYSIOMAX ORGANISATION | NEWSLETTER

2018-19 | APRIL-MARCH | VOL- 1 |

ABOUT PHYSIOMAX ORGANISATION

Physiomax organisation is registered under society's registration act government of West Bengal and licensed under Baranagar Municipal Corporation. From the very beginning we started a quality care in the field of Physiotherapy and Rehabilitation and spreaded up not only different parts of rural Bengal but also in different north east states where there is a greater need of rehabilitation services. Having our own collaboration with different government and non government organizations.

PHYSIOMAX COMMUNITY HEALTHCARE SERVICES

Physiomax organisation provides Rehabilitation services in unreached areas, developing human resource to provide Prosthetics, Orthotics, Wheelchairs, Rehabilitation Therapy, Community Based Rehabilitation and Accessibility. Our area of work mainly spreaded up in north east states including Bihar, Chhattisgarh, West Bengal, Assam, Nepal, Bangladesh.

Apart from these, the other key activities includes free health check up camps and orthopaedic pain care camps through Community Based Inclusive Development programs and Capacity Building & Partnership with Grass root organisations.

PHYSIOMAX EDUCATIONAL HUB:

We are conducting our Certified Myofascial Release practitioner course (CMFRP) from our government registered licensed organization. Participants whoever completing their level 1 and level 2 workshop are getting CMFRP certificate with a valid registration

Due to increased demand Physiomax organization also offering a short-term certificate course in orthopaedic manual therapy – a totally recent advanced based handson workshop on integrated approach of various manual therapy concept (Myofascial release, MET, Neural mobilization, Maitland approach.
